## WHAT THEY SAY....

*I don't know what I would do without Translation by Design! As a children's publisher that specializes in foreign language education, I have to rely on professional, detail oriented translators for all my editorial projects. Sandra provides the translation expertise plus brings an incredible knowledge about how the publishing industry works.*

*Linda Nelson, Vice President  
Teach Me Tapes, Inc., IBPA member

*...a genie in a bottle couldn't have fulfilled my wish list any more quickly and brilliantly, and with more courtesy, graciousness, and initiative. I only had to ask, and TBD provided talented and diligent translators, top-notch service, fair rates, and timely delivery. And the best bonus of all: Sandra herself, a real pro, who's a pleasure to work with.*
