

**Translation and Interpretation Services
for International Matters**

White & Case, Winston & Strawn, Cozen & O'Conner, and Lief Cabraser are a few of the firms that call on Translation By Design (TBD) when faced with challenging depositions and document translations. Over the past 10 years firms like these have called on TBD to translate tens of thousands of documents and to provide 1000's of interpreters for major international litigations.
